Dear Harold and Lil:

Well, happy news! My dad came through bypass surgery yesterday, in excellent condition. Hope all goes well in the recovery.

As you know, I am emotionally wiped out. Can't even think. I will write you next week. We did have some more good news. Betsy's ~~XXXXXX~~ prison came through the audit with flying colors, especially her department. She got praised as the best. Which we already knew! I am very proud of her. Now, if I can just keep fooling her into staying married to me!

Kiss Lil for me, and I hope this letter finds you all well. I just got a nice letter from David Wrone. Gonna answer him.

Bill
